AXMINSTER fire-fighters will find out tomorrow (Wednesday) if their co-responder set-up will be reduced.

Fire chiefs are trying to save money and have suggested that co-responder units be slashed from double crew to single crew.

The Axminster-based firefighters have made it clear they wish to retain double crewing, and Axminster Town Council greeted the proposed change with scepticism.

Axminster Watch Commander Pete Collins told Pulman's View: "During the consultation we have said that it [the current system] should remain."

He gave a number of reasons including the fact that certain emergencies, like heart attacks, require more than one person to

tear the casualty.

Devon & Somerset Fire & Rescue Authority members will consider a raft of proposals at a meeting in Exeter tomorrow (July 10th).

Whatever happens, though, Watch Commander Collins won't be affected as he was set to retire two days before the meeting.

Emergency care

A co-responder is a firefighter (often retained) trained to attend medical emergencies/accidents and provide a certain level of care until paramedics arrive.

The concept is widespread in rural areas that ambulances may need more time to reach.

In 2011/12, the most recent

statistic available, 256 co-responder outings were made from Axminster Fire Station.

At the moment, the co-responder team reports to the fire station base, collects the vehicle and proceeds to the address given.

But Devon and Somerset Fire and Rescue Service only receives funding for calls meeting the response requirements of South Western Ambulance Service NHS Foundation Trust and is under no statutory duty to undertake this activity.

Apart from going down to single crew, the proposal would see the co-responder on call have the vehicle at home or at work and

Victories in sun for cricketers

AXMINSTER, Seaton and Kilmington Cricket clubs enjoyed the sun drenched weekend with wins for all of the respective 1st and 2nd XIs.

Nick Taylor led the way for Axminster 1sts in a narrow one wicket win at Clyst St George.

Taylor claimed 4 for 30 as the hosts posted 216 for 7 and was then at the crease with an unbeaten 14 as Axminster, thanks to crucial knocks from Joe Seward (46), Matt Pile (40) and Gary Larcombe (40), successfully chased down their target in the last over.

Axminster remain well set in second place in the Devon League division C, 40 points in the wake of run-away leaders Bideford.

A superb 114 from Nick Beedell fired **Seaton 1sts** to victory in the local derby at Uplyme & Lyme Regis. Mark Bray (52) and skipper Ben Morgan (33) also batted well as Seaton closed on 262-5 having been inserted.

Beedell also starred with the ball in the hosts reply claiming 6-25 as Uplyme were dismissed for 163 with Aussie all-rounder Alex Taylor clipping a fine 63.

The win sees Seaton now firm favourites to accompany Clyst Hydon back up into Division C.

Down in division E 48 from Roland Stonex helped Kilmington 1sts (237-9) to a 14-run over Kentisbeare (222, Tom Gooding 3-32).

David Lavender's 4-20 helped the Kilmington 2nds (99-4, W. Wilmott 6/1no) to ease to victory over Kentisbeare (96ao).

◆ **CENTURIES** from Liam Lewis and Pete Randerson saw **Sidmouth 1st XI** post an imposing 354-6 against visiting Torquay in the Devon League Premier division clash at the sun-drenched Fortfield on Saturday.

This proved far too many for the visitors who were shot-out for 186 with Charlie Miles and Matt Cooke each claiming three wickets and Randerson pouching five catches.

Over at Mountbatten Park **Honiton 1st XI** skipper Adam Holmes won the toss and inserted Ashburton. Holmes may have rued his decision as the hosts closed on 278-4.

In reply Honiton were well placed at 60-2 but fell away to 117 all out.

In Division C **Ottery St Mary 1st XI** were beaten by leaders Bideford at Salston Field despite left-arm Will Harrison claiming 3-27 in the visitors' 227.

The Otters could only muster 151 in reply with Sam Lynch top-scoring with 36.

From the editor's chair A weekend to remember

THE sun is shining, the British Lions tonked the Wallabies and Andy Murray became the first British tennis player to win the Wimbledon Championships for 77 years. Isn't life grand?

All we need now is for England to win the Test series against the Aussies and the England Ladies team to do well in the European championships that start this week. That last wish might be a bit optimistic - but you never know!

This time last year we were basking in the glory of staging the most successful Olympic Games ever; who would have thought we would have been able to keep the sporting momentum going?

I've been a sports fanatic all my life and have been fortunate enough to see some of the top sporting events around the world - test cricket in Barbados and Antigua; World Cup rugby in South Africa.

I'm not a great armchair supporter, but none of these experiences came anywhere near the sheer excitement of watching Andy Murray dispense of Novak Djokovic in three straight sets.

Having spent part on my career in sports publishing, I've met many professional sportsmen down the years and not all of them are (how shall

I put this?) the sort of blokes you would want your daughter to marry. There have been a few exceptions - Rob Andrew (rugby), Gary Mabbutt (football), Tony Cottee (football), all really nice guys.

Until last year when he broke down in tears after losing the Wimbledon final, Murray had a reputation of being a bit of a surly Scot. But a TV documentary about him the week before Wimbledon showed his to be a mature, responsible, generous and delightful man who has now become one of Britain's all-time great sportsmen. He deserves every accolade coming his way.

♦ Whilst talking about sport, a massive well done to the 15 students at Axe Valley Community College who took part, for the third year running, in the Dartmoor Classic cycle challenge.

After an extensive training programme over several months, the team completed the 60-mile route across Dartmoor in eight hours, coping brilliantly with very difficult conditions.

Competing in such events does far more than delivering a high level level of fitness. The benefits will live with them for the rest of their lives.

SEATON/COLYTON Residents invited to health summit

DOCTORS in Seaton and Colyton are urging residents to attend tonight's health summit in Seaton.

The summit will be held in Seaton Town Hall, starting at 7pm this evening (Tuesday, July 9th) and Dr Rob Daniels of Townsend House Surgery and Dr Roger Bramley of Seaton & Colyton Medical Practice are keen for a big turnout.

Following an NHS reorganisation Northern, Eastern and Western Devon Clinical Commissioning Group (NEW DCCG) is responsible for buying a range of community health services on your behalf.

These include community hospital and community nursing services.

The contract for these community services is due for renewal next year and needs to be re-specified before Christmas, which is why the summit has been called.

Local GPs are represented on NEW DCCG and doctors Bramley and Daniels said in a joint statement: "So that you can be involved in the design of these services, NEW DCCG is running a health summit in Seaton, as in other communities across Devon."

"We're doing this because we need you to help us define how your local health services can continue to meet your needs over the next decade."

"It would be great if it could also contribute to the development of other social and community networks."

"Lots of people in Seaton and surrounding area work hard, often doing physically demanding and stressful jobs."

"We need to know that if we need access to care for our older relatives, it is there for them."

"We might need to access community services such as physiotherapy for ourselves."

"Fortunately, most of us don't need to access health or social care for most of our lives. We enjoy good health for more than 90 per cent of our time."

COLYTON Local man jailed for assault on girls

A COLYTON man has been jailed for five years for sexually assaulting two schoolgirls in Cambridge during the 1990s.

Christopher Burton, 56, was sentenced at Cambridge Crown Court to five years in prison after indecently touching two schoolgirls, aged 12 and 13, in the 1990s.

He also acted indecently with one of the victims in 1988 when she was five years old.

The offences were to be detailed during a trial at the beginning of the month before Burton changed his plea. He has previously been imprisoned for drug offences and was released in 2001.

Burton then moved to Colyton to start a new life and had been in a long-term relationship since 2004, which subsequently ended when the assaults came to light.

Michael Magee, mitigating, said Burton had stopped the touching on his own and it never progressed.

He urged Judge Anthony Bate to consider the offences as one continuous fault, adding: "This will destroy the steps he has made to rebuild his life and his family relationships will be shattered."

Judge Bate sentenced Burton to 15 months for one offence of indecency with a child, and a further 15 months for indecently assaulting a child.

He received a further two and half years for indecent assault on the then 12-year-old.

SIDMOUTH/HONITON Special meeting on Knowle future

EAST Devon District Council (EDDC) has returned to the drawing board and will discuss future options for its Knowle HQ in Sidmouth this month.

EDDC's cabinet will hold the meeting on Wednesday, July 17th, to be followed by a special face-to-face event with invited, interested parties on Friday, July 26th.

As previously reported, the council wishes to leave the Knowle and move to Honiton.

But EDDC's own Management Development Committee threw a spanner in the works by turning down a planning application for permission to build houses and a care home on the Knowle site.

EDDC leader Paul Diviani said: "The planning decision made earlier in the year gave us pause for thought and we have been considering its implications."

"We want to make the best decision for both our customers across East Devon and our staff."

An EDDC spokesperson added: "At the cabinet meeting councillors will be asked to decide whether or not staying at Knowle is a realistic option and which options to look at in more depth."

"The council has been looking at the possibilities for its offices for many months as it seeks a solution for the increasing cost and unsuitability of its current headquarters in Sidmouth."

"Staying at Knowle would require over £1.5m of essential repair and maintenance work along with high and rising running costs, investment in new utility cabling and any future repairs."

EDDC is inviting selected organisations to join councillors and senior officers for a special meeting on July 26th.

Loyalty reward at Boots for Julie

JULIE Kettle didn't know it at the time, but she hit the jackpot when completing a customer questionnaire in the Axminster branch of Boots.

Customers at branches all over the UK are randomly invited to complete the questionnaire, and those who accept are entered into a monthly draw.

Julie reluctantly agreed after being persuaded by a shop assistant.

It proved to be a good move as her ticket came up when the June draw was

■ ALL SMILES: Boots area manager Chris Couchman, Julie Kettle and branch manager Holly Sandford.

made.

In a way, her luck was also a triumph for Boots Axminster and Seaton manager Holly Sandford, who saw a second of her customers win the UK-wide draw in less than

a year.

In November a Seaton branch customer was the winner, so Holly was very pleased.

Julie, from Chardstock, could choose between £200 worth

of loyalty card points or £100 cash, and opted for the former.

When asked what she would spend her winnings on, she said: "I've already spent some of it when buying a hairdryer."

Deputy leader defends EDDC's support for town

By Anders Larsson

anders@tindlenews.co.uk

THE deputy leader of East Devon District Council has taken issue with a fellow councillor's claim that "nothing is done for Axminster".

Councillor Andrew Moulding (Cons) reacted angrily to Douglas Hull's (LibDem) claim in last week's paper that East Devon District Council (EDDC) is "not bothering about that little place at the end of the county, Axminster".

Both serve on the town council and also represent Axminster on East Devon District Council.

Councillor Hull made his statement after EDDC turned down Axminster Town Council's request to put the police station and magistrates' court site on what is known as the Asset of Community Value List.

Councillor Moulding said: "I supported the bid but, unfortunately, the submission didn't meet the criteria set out

in the Localism Bill.

"Councillor Hull appears to criticise EDDC even though the criteria could not be met and suggests that EDDC neglects 'little old Axminster'.

"This is far from the truth. EDDC has supported the following with significant allocation of funds; Flamingo Pool, Cloakham Lawn Sports Centre, Axminster Guildhall, play areas, Axminster Arts, Axe Valley Sports Centre.

"These are just a few of many projects supported by EDDC, which have recently committed funds for the regeneration of the centre of Axminster."

Concerns over floodlit football pitch

ABOUT 15 neighbours of Axe Valley Community College attended a town council meeting to express concerns about a proposed artificial pitch on the sports field.

After an hour-long debate, town councillors voted 11-0 (one abstention) to support the application in principle.

Councillors shared a number of concerns with the residents, though, and would like to be consulted on the business plan before permission is given.

The residents who attended the meeting expressed concerns about increased traffic, noise and light pollution.

The full-size football pitch would boast what is known as third generation surface and come with floodlights.

Also involved are local football clubs and Leisure East Devon, and the project is supported by Devon FA.

The pitch would be available for hire outside of college hours, which is what worries neighbours.

Councillors agreed that the lack of a detailed business plan made it difficult to gauge how widely the pitch will be used outside of college hours.

The application will be decided by Devon County Council in due course.

If approval is given, the pitch and associated parking would be constructed over a 12-week period.

D-Day for the co-responders

■ FROM PAGE ONE

would be despatched directly by the ambulance service.

It is claimed this would speed up the response, but a practical problem has been highlighted in Axminster where many co-responders are self-employed and require their own company vehicles to carry work equipment.

This was brought up when Devon & Somerset Fire & Rescue Service area commander (Central Command) Steve Widnell visited Axminster Annual Parish Meeting on March 18th.

At the time he said: "We are looking at overcoming the issues, we don't have all the answers yet."

When asked last week if a solution had been found to the work vehicle issue, a spokesperson for the fire and rescue service said: "All the consultation responses from co-responders and other staff will be reported to members at the meeting.

"If the members decide to implement the proposal, then officers will assess the best way for the system to be put in place, including the type of vehicles which would be used."

The spokesperson added: "Devon & Somerset Fire & Rescue Service is looking at managing significant on-going budget cuts, now anticipated to be around £8m by 2015, following the Spending Review announcement."

Methodist vicar stands down

MINISTER of Methodist churches in Axminster, Seaton, Colyton and Dalwood, the Reverend Linda Chester, has been forced to retire due to health reasons.

A statement on the Reverend Linda Chester's immediate retirement said: "The Reverend Linda Chester leaves her ministry in the Coast and Country Methodist Circuit with a heavy heart.

"Regrettably, she has had to follow doctor's advice to retire from full-time work on health grounds.

"She had hoped to extend a further five years with her four churches and hospice chaplaincy as she has loved the people and the area.

"The Reverend Chester is very grateful for all the supportive let-

ters and cards received and kind words that have been said about her time in Seaton.

"She hopes the next minister will be as happy as she has been."

The Reverend Chester, who lives in Seaton, has served the four local churches for four years having entered the ministry in 1993.

It is not yet known who will replace her.

Big uptake for free dog health checks

A WEEK of free health checks for dogs saw a mobile clinic visit Axminster, Seaton, Sidmouth and Exmouth. The joint initiative was masterminded by East Devon District Council (EDDC) and the People's Dispensary for Sick Animals (PDSA).

An EDDC spokesperson said: "It came about through the combined work of the council's estate management and environmental health teams, who joined forces to organise the event with the help of the PDSA."

Health checks covered body condition score and

weight; teeth and gums; eyes and ears; coat condition; and general fitness. Also on offer was micro-chipping, nail clipping, anal gland expression and ear cleaning.

The visit to Sidmouth on Tuesday, July 2nd saw 41 health checks carried out and the first two-and-a-half hours in West Street Car Park, Axminster, the following day involved about 15 health checks.

Out of town patients urged to ask for treatment in Axminster

THE Friends of Axminster Community Hospital are urging patients from outside the town to seek treatment there if they can't get it on their home turf.

After a massive public outcry earlier this year, most day case surgeries were retained at the hospital. Health bosses wanted to send more people for day case surgery in Exeter, but had a rethink after strong objections.

The Axminster Hospital League of Friends is keen to see an increase in the number of people being treated there to retain the services long-term.

As a result, members are urging patients to request an appointment at Axminster if their own community hospital is unable to provide.

During the League Of Friends' annual general meeting, chairman Dr Phil Taylor said: "The NHS promotes patient choice as being a fundamental part of the care offered.

"To be able to choose to have care offered locally, it is important that people are aware of what is available locally.

"Community hospitals may become more focused on providing day treatments which may otherwise mean a long trip to a bigger hospital at which parking is a nightmare."

The AGM also heard that, although the situation has improved, some patients are still denied surgery in Axminster despite it being available there.

Anyone who experiences a problem is asked to point it out straight away.

Dr Taylor said: "Report such problems to the number on the list. I want everyone who has a problem to tell them that it is not good enough - but be polite.

"If you experience difficulties with making appointments, please phone the DART helpdesk to report this on 01626 883888 or you can use www.patientopinion.org.uk."

Council put dog warden service out to tender

EAST Devon District Council is looking for a new contractor to run its dog warden service for the next two years.

The council is inviting tenders for a service that will include the collection of stray dogs throughout the district, and will also include the investigation of complaints about dangerous dogs and animal welfare.

The duties will also in-

clude formal enforcement of dog control orders including dog fouling and other dog control offences and inspections of boarding and breeding establishments.

Interested contractors must complete a pre-qualification questionnaire and demonstrate a sound financial, technical and operational capacity to perform the services.

Pre Qualification Questionnaires are available from the council's website www.eastdevon.gov.uk/twoyeardogwardenservice.pdf, and all hard copies must be returned to Jill Wheller at EDDC, Knowle, Sidmouth, EX10 8HL.

Bell tower correction

LAST week the *Pulman's View* incorrectly reported that a gift was presented to Julie Baker for her work in overseeing the Hawkechurch bell tower restoration project at a service of thanksgiving.

The service actually concluded with the presentation of a gift by Julie Baker to churchwarden Jean Ransford for her work in overseeing the restoration project.

Our apologies for any confusion caused.

Two in hospital after house fire

TWO people were taken to hospital as a precaution after a fire in a house in Membury Road, near Axminster.

Firefighters were despatched just before 1.30pm on Thursday, June 27th.

Three fire engines – from Axminster, Colyton and Charmouth – were mobilised.

A spokesperson said: "The fire, which was out on arrival, involved wiring from a small electrical appliance which had come into contact with a hot cooker top.

"Two occupants, one of which had been escorted from the property by fire crews, were conveyed to hospital by ambulance as a precautionary measure only."

Car break in at Shute Woods

A RED Volvo, parked in Shute Woods near Axminster, was broken into at some point between 12noon and 2pm on Sunday, June 30th.

It is not clear if something was stolen, but a police spokesperson said: "The driver's door was forced open and motorists are asked to be vigilant and remove any items of value from vehicles when leaving them unattended."

School cyclists excel

TEAMWORK was the name of the game when a 19-strong Axe Valley Community College team took part in the Dartmoor Classic Cyclosportive 2013 cycle challenge.

It was the third year running that the college entered a team for the gruelling challenge, which this year attracted a total of 3,373 riders across the three distances available.

Fifteen students and four members of staff trained at weekends and after school for several months to complete their chosen 67-mile (109 km) route across Dartmoor.

During training, the team cycled across most of East Devon and West Dorset, climbing every steep hill within 20 miles of Axminster to prepare for the non-competitive endurance challenge.

Deputy headteacher and team organiser John Mythen said: "True to form, Dartmoor proved to be a difficult environment.

"The weather provided a background of high winds and driving rain while the landscape's usual steep climbs and

exposed roads aided the wind to make it a truly difficult challenge.

"Despite this the team, supported by parents and other staff, succeeded in completing the event."

It took eight hours to complete the challenge, and there was one casualty.

Full recovery

With 30 miles to go, one team member fell when going downhill at speed.

The Dartmoor Rescue team were on hand and it was decided that she was unable to complete the event.

She has since made a full recovery.

Mr Mythen added: "I would like to give special thanks to the teachers who trained and supported the team and the parents who helped and supported their children's efforts."

There was also praise for Seward's Coaches, Selec Systems, Cyclelife Axminster and the college PTFA for support given.

The college intends to repeat the exercise next year.

The glove goes up keeping alive 800 years of tradition

A GLOVE was raised on the side of Minster Church in Axminster, keeping alive an ancient tradition of more than 800 years.

The raising of the glove used to mark the start of the defunct Axminster Fayre Week, but has in recent years been carried out to welcome Axe Vale Festival instead.

The ceremony dates back to the granting of Axminster's market charter by King John in 1210.

Traditionally, the glove stayed up for eight days during fair week, during which time certain rules applied.

Lord of the Manor Jim Rowe led the ceremony on Thursday, June 20th.

Reading from the charter, he proclaimed: "Let no man be arrested or hung until the fair is done."

Mr Rowe is pictured with the Mayor of Axminster, Councillor Jeremy Walden, and the Rector, the Reverend John Streeting.

Cream tea with the Legion ladies

A GOOD number of people popped into the Senior Citizens' Centre in Axminster for a Devon cream tea on Tuesday, June 11th.

The event was staged by the Axminster Women's Section of the Royal British Legion (RBL) as a fundraiser.

Members from the Uplyme and Branscombe branch swelled the numbers and helped to raise a total of £165 for the Legion.

Axminster branch chairman Jane Bastin thanked everybody for their ongoing and enthusiastic support.

Cricketing day for hospital cup

SOCIAL cricketers will be gathering at the Kilmington cricket ground on Sunday, July 14th to compete in a four-team tournament to raise money for the Axminster Hospital Cup.

Organised by the hospital cup committee chairman Pete Garner, last year's tournament raised around £1,000 and it is hoped that this year's event will be even more successful.

Teams of 12 players, all paying £10 each, will compete in a 20-20 game. The four teams will be entered by Pete Garner, Brett Garner, Andrew Guppy and Kilmington Cricket Club.

As well as the cricket tournament, there will also be a barbecue and bar and there will be a raffle for some excellent prizes.

Pete Garner told Pulman's View: "The action starts at 11 am and we hope a big crowd will turn up to support our continuing efforts to raise much needed funds for Axminster Hospital. We are particularly grateful to all those who have given their support and donated items for the raffle."

'Where's Wally' event raises £300 for school

AXMINSTER was flooded by Wallys when Archway Bookshop and St Mary's Catholic Primary School's Parents, Teachers and Friends' Association collaborated.

The event concluded on Saturday June 29th when organisers placed live Wallys throughout the town.

Jo Hawkins of St Mary's Catholic Primary School PTFA said: "There was real buzz around the town and a lovely fun atmosphere."

"Families loved the activity of looking for Wallys in shop windows and the 'real' Wallys throughout the town."

"We had a Wally in the church green, in the Trinity House window, in the library and in the book shop."

"One hundred families took part, using clues to locate the Wallys, and we raised over £300 for the school."

She praised everyone who had supported the initiative in various ways.

Fishathon raises £1,500 for hospital

MEMBERS of the Beer and District Sea Angling Association took on the challenge of a 50-hour fishathon to celebrate their 50th anniversary.

Raising £1,500 for the RD&E Neonatal Unit, a cause close to their hearts, members began their challenge on Friday, alongside Seaton's town crier, David Craner - who officially announced the start of the event - and town mayor, Cllr Gaynor Sedgwick, who cast the first line.

Whilst many club members came along on Friday afternoon and evening, gale force winds arrived on the South West coast, coinciding with some of the largest tides of the year, making it difficult and potentially dangerous to fish from the shore.

Organiser and spokesperson for the group, Stewart Leach MBE, said: "Sadly very few fish made their presence known, with just a few mackerel falling to the copious and varied amounts of bait being presented to them.

"Perhaps the fish knew what we had been told and that was that the area of Lyme Bay, along with the western channel, was to be hit by gale force winds over the weekend.

"The Met Office forecast showed repeated warnings of winds of six to seven with gale force eight expected all from the south west and west direction; the winds coinciding with the largest tides of the year.

"Safety is paramount and as a responsible club the decision was taken to call off the event in order that anglers were not put in jeopardy.

"With that done, anglers fished until midnight on the Friday and then retired from the beach.

"BDSAA would like to

thank all the members of the public who supported this effort and all those who made donations in support of individual anglers, the money raised was £1,500, a superb effort.

"The remaining balance of hours to be fished will be taken up over the next couple of planned club matches.

"BDSAA would like to extend a vote of thanks to Seaton Town Council, Karin Frewin (Town Development manager), Seaton TIC and Seaton Tackle Shop for their valued support."

AN UNEXPECTED guest has arrived in the garden of one Seaton couple this week, attracting lots of attention from their fellow residents.

Marcia and John Cook of Colyford Road discovered that an extremely rare Laughing Dove had decided to make their garden its temporary home.

After calling members of the Axe Vale Conservation Society it was soon confirmed that the colourful bird, normally resident of North Africa, was a rare variety and a usually unseen site in the UK.

The bird takes its name after its song, a mixture of cuckoo and dove call, and has been feeding happily in the gardens on Colyford Road.

Whilst it may have flown a long way north, the pretty brown and blue bird could be an escapee from a local collection and has gained much attention from local birdwatchers and Seaton residents. **Photo by SUSAN SMITH**

CARERS WEEK | Organiser Donna Billings and supporters at the coffee morning fundraiser

Carers' fundraiser

SEATON marked National Carers Week with a variety of events, opening with a successful coffee morning organised by nurse Donna Billings of Townsend House Surgery.

The coffee morning was held at Seaton Town Hall. Alongside the usual refreshments, the event included displays and information from a number of organisations, such as FORCE, Citizens Advice, the Royal British Legion, the police, Stroke Association, Volunteer Centre and Age UK.

The event raised funds for the Co-operative's chosen charity of the year, the Carers Trust, plus sponsorship for Dr Julian Hurst, who will be cycling from Rome to

London in aid of Seaton Hospital's At Home service, and the Townsend House nurses' Race For Life team.

Organiser Donna teamed up with Seaton Town Hall for Carers Week to provide a number of other activities, including silver screen film viewings, table tennis, Zumba and more.

Donna was also promoting Townsend House's free health and wellbeing check for carers, which checks carers' physical, mental and emotional health.

She said: "It has been a year now since launching the carers health and wellbeing checks here at Townsend House Medical Centre, and I am so pleased to say

what a positive year it has been. "I have completed 65 health checks and seven follow up reviews in the past 12 months, and the feedback that I am receiving is wonderful.

"The checks are proving to be very worthwhile and the information and support that I am able to offer is really making a difference to our carers and the people they care for. I am continually trying to promote our carers service and health checks, and reach as many carers as possible out in the community."

For more information on the check-ups and support for carers contact Townsend House on 01297 20616.

Centenary celebrations for Regatta Week

MEMBERS of the Beer Regatta Committee are gearing up for one of their biggest and best Regatta weeks yet, as they prepare for their centenary year.

With the week's programmes launched yesterday (Monday), committee members have ensured that everybody's favourite event still remains, but for an added extra, they will be bringing back some old classics to the week running from Saturday 10th to Saturday, August 17th.

Most importantly, Regatta barrel rolling will be returning to the main street – something villagers have wanted to see return for years. Finally managing to get the insurance and event preparation right, organisers are particularly excited about the barrel-rolling event, which will follow on from a brand new street fayre in the centre of the village on Tuesday, August 13th.

With the village set to be a hive of activity from street entertainment and music, to charity stalls, food, arts and crafts and fair treats such as candyfloss and ice cream, Regatta organisers are set on making the day an event to remember.

The street fayre will run from 1pm until 5pm and then the barrel rolling down the main street will take place from 7pm, with a number of races.

Committee member, Viv Steer, said: "There has been some controversy as to whether 2013 is the 100th year of the Beer Regatta but we are going ahead regardless and hope to make this a Regatta week to remember.

"We are very excited to be bringing back barrel

by Laura Goldsbury Noy

rolling to the main street as it is something everyone has been asking about for years. We hope lots of people will get involved and get behind the event.

"We also have a street fayre this year, which is new and exciting to the Regatta programme and has quickly become very much a Beer thing. There are loads of local businesses taking part and it should be a really fantastic day.

"During the main Regatta day, those creating decorated rafts will also get the chance to race them this year, and really make something out of the event.

"We are hoping to get people who have been in teams way back and over the years to get competing and involved again, so we can really embrace the history of Regatta Week."

Alongside the many events will be a special celebratory exhibition at the Beer Congregational Hall of Regatta memorabilia and photographs sponsored by Pecorama.

Working alongside the Beer Heritage Society, committee members have been hard at work tracing down any old photographs or souvenirs from the many Regattas over the years to prepare for the exhibition, which will run from Monday, August 12th through to the end of the week of events.

Viv continued: "We have managed to find loads of photographs for the exhibition but still want to ap-

peal for more – particularly those from the 1960s, 70s and 80s, as well as any barrel rolling pictures anyone may have.

"We have been uploading some golden oldies to our Regatta Facebook page which has been great in promoting this year's events and has got a lot of interest, but we could still do with some more."

If you can contribute towards the exhibition or think you can help, call Viv on 07977 412425 or email viv.steer5@googlemail.com

There is a huge programme of events for this year's Regatta centenary week. Saturday will play host to the annual angling competitions, whilst the evening will be filled with a barn dance at the Mariners Hall.

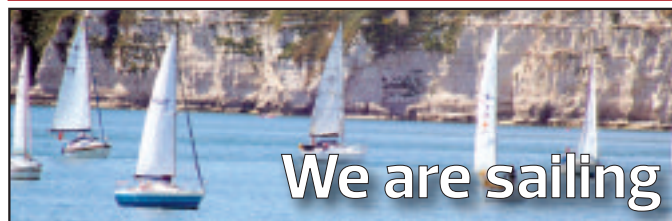

Sunday will welcome the popular Sunday Funday

including Robbie's Races at the Beer Albion Football Club and Monday will see the start of the Regatta Memories Exhibition, opened by managing director of Pecorama, Michael Pritchard, as well as the start of the rowing championships.

Tuesday will include the all new street fayre and barrel rolling, whilst Wednesday will include an exciting sea rescue display.

Thursday will be the main Regatta day, to be opened by Year 6 leavers from Beer C of E Primary School. There will be sailing, the famous best-dressed raft and raft race, fancy dress competition and parade, the grand raffle and trophy presentation and a grand fireworks extravaganza.

Full programmes can be purchased for £1 at various spots in the village.

▼ RESIDENTS and visitors alike were treated to a spectacular sight at Seaton last Sunday when the local yacht club staged a 'parade of sail' which saw dozens of boats sail from Beer back to the club.

Perfect weather for annual church fair

ST Andrew's Church in Colyton hosted its annual fair in glorious sunshine.

Following last year's summer washout the fair had to be postponed but this year crowds flocked to the church green on Saturday.

Attractions included traditional fete games, face painting, homemade cakes and refreshments, a barbecue, raffle, skittles run by the 1st Colyton Scouts, a bouncy castle and stalls run by a number of local groups, including the Mother's Union, Colyton Brownies and St Andrew's Choir.

Music was also provided by Bridport band One Night Stand.

Profits will go towards church funds but it was not known at the time of going to press how much was raised.

■ FUN AT THE FETE: Val Pady and Vicky Mills serve a customer on the bottle tombola. Above, town crier Derek Wenn was on hand to announce the attractions. LTop left, the Mother's Union on their chocolate stall and, bottom left, the cake stall.

Colyton cyclists complete challenge

■ WE DID IT! Jason Potter, Jimmy Richards, Jade Wood, Jo Potter and Matthew Orsman after their cycling challenge

THREE Colyton footballers participated in the FORCE Century Cycle Challenge on June 30th, raising over £2,000 for FORCE Cancer Charity which has played a vital role in local cancer services for 26 years.

Jimmy Richards, Matthew Orsman and Jason Potter completed the 100-mile route, supported by Jade Wood and Jo Orsman who took on the shorter 55-mile route.

The 100-mile ride started at Topsham Rugby Club, headed up to Dulverton and over the top of Exmoor, down to South Molton and then met up with the 55-mile race, which went across country to Morchard Road. Both rides then came back to Topsham via Crediton and the back lanes to Exeter.

Jimmy said: "We're happy that we all came through unscathed - there were a few aches at the end but I think we've all recovered now!"

"We're absolutely delighted that we've managed to

raise such a large sum of money towards such a worthy cause. We've been overwhelmed by the number of donations, some of which have been extremely generous."

The challenge certainly hasn't deterred the group who have all entered the FORCE Autumn Breeze ride - a 65-mile route starting and finishing at Fingle Glen Golf Course on October 6th.

The work of FORCE finances improvements in patient care through research, the purchase of advanced equipment and their Cancer Support and Information Centre located in the grounds of the Royal Devon and Exeter Hospital.

The group are still collecting sponsorship and would be very grateful of any further donations towards the cause.

Those interested in sponsoring should contact Jimmy by emailing jimmy-richards@hotmail.com

Students serve at breakfast fundraiser

■ **FULL FRY-UP:** Headteacher Cliff Seabrook enjoying a full English breakfast served up by mums, grandparents and children from Hawkchurch Primary School

A GROUP of mums and grandparents from Hawkchurch C of E Primary School have pulled together to help raise money for the village school.

They recently got together to hold a community breakfast at the school, just one of many recent fundraising activities held to help pay for extra curricular activities for the children, such as swimming lessons and educational school trips.

Children from the school took orders and waited on tables, while mums and

grandparents helped in the kitchen serving up full English breakfasts, toast and cereals.

Headteacher Cliff Seabrook said: "This is an opportunity for people to come into the school and see what we do here. We are trying to reach out in to the community and we hope that the school can be at the centre of the community."

The school also recently held a sports day and BBQ and they also plan to hold community lunches in the village.

All Saints children awarded for success in sports

■ **ACKNOWLEDGEMENT:** The successful season was celebrated at assembly

YEARS 5 and 6 children at All Saints CE Primary School are about to wrap up a successful season of sports.

The Rounders A Team finished runners-up in Devon Summer Games (Devon Finals), missing out on the gold medals by a mere half rounder.

In addition, the school athletics team also qualified for Devon Summer Games, finishing eighth.

Both teams qualified for Devon Summer Games by winning their respective Axe Valley and Colyton Primary School Leagues – after which they went one better by both winning their respective East Devon Final stage.

The Rounders B Team came second in the Axe Valley League and third in the East Devon Finals.

Summing up the season as a whole, acting headteacher Martin O'Mahony said: "Considering it is such a small school, it is quite an achievement."

Church donates school books

■ **PUPILS** at Kilmington Primary School started their week by taking delivery of 50 books on Monday, July 1st. The children's books have a Christian theme and were donated by Kilmington Baptist Church. Pastor Darrell Holmes is pictured presenting the books during assembly in St Giles' Church.

As their time at primary school draws to a close, Year 6 children at All Saints CE Primary School have engaged in exciting activities outside the classroom.

They went on a residential trip to Rockley Watersports, Poole, where they took part in activities including dart sailing, kayaking, windsurfing, stand-up paddle boarding and powerboating.

All the children had a fantastic time and the experience will be remembered for many years.

Following on from their owl project, they also had a visit from Devon Bird of Prey Centre (pictured right).

Centre staff gave children the opportunity to fly a barn owl, and experience a face-to-face encounter with an eagle owl and two baby Harris hawks.

With NIGEL SPELLER

RAY Hunter from Axminster Christian Fellowship writes: I recently travelled back to Scotland for a family wedding and had to marvel at the place I had grown up in. The stunning views over the river Forth with its two iconic bridges, the magnificent Pittencrief Park which was donated to the citizens of Dunfermline by Andrew Carnegie, and then onto the wedding venue itself, which was held at Dunkeld in the Perthshire Hills and at a Hotel situated right alongside the river Tay, what a grand setting it was, a feast for the eyes.

The feast continued on returning to Devon with its wonderful rolling countryside and majestic sea views. All of this reminded me of the continuing theme in Genesis chapter one with God commenting on what he had made, "And God saw that it was good". Let's give Him thanks for this beautiful land we live in and for His creativity in us.

With the arrival of summer, Devon parishes welcome visitors and recently Colyton church had a visit from Helen Maxwell and family from Colyton, New Zealand, whose church is pictured at Colyton church.

Christine Sansom, churchwarden, handed over to Helen as a memento, glass from the West Window in Devon recovered at the recent renovation.

This week we also welcome those recently Confirmed at St Paul's Honiton by Bishop Nick.

News has come this week that Bishop John at Plymouth will be leaving Devon for Australia shortly.

On to local events - Axminster Lunchtime Concerts continue on Thursdays, 12.30pm to

1pm at the Minster.

On Friday, July 12th there will be a Friend of St Michael's cream tea at The Heights, Hillhead, Colyton - all are welcome.

Axminster United Reform Church offers fine flower arrangements and refreshments at 2.30pm on Friday, July 12th.

Songs of Praise is on Sunday, July 14th at 6pm to support the Awliscombe Church Roof repairs fund, "Raising the Roof". All welcome at the Honiton Inn.

Beer Congregational Church has a Wurlitzer Organ Show on Saturday, July 19th at 2pm with refreshments available.

Colyton Leisure Lunches in the Sunday School Buildings are on Thursday, July 25th. Booking is essential.

The Friends of the Diocese of Cyprus & the Gulf linked with Exeter Diocese hold their annual meeting at the church of Allhallows by the Tower on Monday, August 5th followed by lunch. Book by calling 01372 373912.

A reminder - Ancient Egypt is the theme for Kilmington Holiday Club from August 12th to 16th for five to 11 year olds. Contact 07785 767 441 for details.

News from the Scout Association, which will not follow Girlguiding UK in replacing its promise with one which removes God, but it may offer an alternative for those without faith. A new Guide Promise omits God, but keeps the Queen.

The Church of England July General Synod have been told to avoid more damage for the church by not delaying further the legislation for women bishops. For like reasons, debate on gay marriages is delayed.

GUY Sweetman founded East Devon Sports Therapy in Seaton in 2010.

He has had the opportunity to work with a variety of sporting athletes and the general public to gain a high level experience with different injuries and scenarios.

To date, Guy has worked with and treated England college and university rugby, football, netball and hockey players, Team GB rowers, future and ex-Olympians, Exeter City FC and general injuries through activity, such as lower back pain, sciatica and neck pain.

WHO can benefit from services at East Devon Sports Therapy?

Everyone can benefit from treatments in clinic, whether they are heavily involved with sport and physical activity or not. Aches and pains don't have to be sport related, nor do you have to put up with them!

HOW can your services help local people involved in sport?

We offer a wide range of treatments, which will rehabilitate injuries back to full fitness and prevent them from occurring in the first instance. As a sports therapist we use our knowledge of sports and exercises sciences to rehabilitate injuries in a sport specific form, ensuring that your injury will be stronger and more stable than before.

WHAT treatments do you offer?

Whether its sport related, for general health or wellbeing, we offer very effective treatments. These include: manipulations, mobilisations, sports massage, electrotherapy treatments such as ultrasound and TENS and computerised gait analysis. We are also the only clinic in the South West to treat using the exact same laser therapy system (LLLT) as the Olympic and top international sports teams, providing instant pain relief and increased healing time.

WHAT do you bring to the role of sports therapist?

I hold a BSc Honors degree in Sports Therapy from Marjon Plymouth University. Each year I attend numerous courses and conferences to ensure up to date treatments are continuously used in practice. From 2014 I will be

putting myself through a Masters degree in Advanced Sports Therapy to further my academic knowledge and interest in the profession.

WHAT made you decide to get involved in sports therapy?

With my involvement in sport and seeing regular occurring injuries, I grew an interest of wanting to know why they occurred and how to prevent and fix them. A soft tissue injury course was built into my college studies, which then allowed me to discover the sports therapy profession and continue into university.

DO you play any sport?

I play badminton at county level and compete in national tournaments. My highest ranking to date has been 82 in England. I started playing seriously at 15, which is when I was spotted and sponsored by the ex-world/Korean champions for my potential in the sport. From this I then travelled to Milton Keynes three times a week for four years at the national badminton centre for individual coaching with my sponsors, who's aim was to get me into the 2012 Olympics. Unfortunately, with the recession, I lost the sponsorship and university studies then took over. I am now playing and training seriously again with a new coach in Exmouth, alongside very high standard players including the European champion.

HAS East Devon Sports Therapy been involved in any local events?

Yes, I try to support the local events when I can, for the past three years I have helped alongside other therapists at the Grizzly,

which is always a great day. I also attend other smaller running events to provide pre and post-race massage, such as the Honiton Hippo, Chard run in the Wild and Cotleigh Canter. I'm more than happy to support any others!

IF you were given £250,000 to spend in Seaton, how would you spend it?

Open a gym or sports centre/spa, which is open at sensible hours, with decent equipment and facilities.

WHAT could be improved in the local area?

Give all of the retirement homes that have been built in the town a fresh coat of paint to start with. Try and make the Tesco desert look slightly more attractive and improve the harbour.

IF you were stranded on a desert island, what three items would you want to have with you?

My iPhone, a barbeque and a rope.

IF you could click your fingers and be transported to anywhere in the world, where would you want to be?

The Amazon rainforest

New Rotary president Probus club given talk on WaterAid

■ **NEW PRESIDENT:** Ian Crawford (centre) with Simon Dunn and Malcolm Reynolds

AXMINSTER Rotary Club welcomed Ian Crawford as its new president for the coming year at the club meeting on Friday, June 28th.

Ian, 66, of Latchmount Gardens, Axminster, and his wife Lesley moved to the town from Reading in 2007, following a career in the automotive industry.

He joined Rotary in 2002, then the Axminster club in 2008. His interests include sailing, and more recently, golf.

Ian received his regalia as president from the outgoing president Malcolm Reynolds, with Simon Dunn, president-elect for 2014/15.

Other officer posts for this year are president nominee Bill Coltham (2015/16), Barrie Castle as secretary and David Guy as treasurer.

Other key posts include John Brennan (youth), Richard Salisbury (international), Martin King (community projects) and Roger Lawrence (foundation or Rotary charities).

Ian commented that he is a firm believer of working in and with the community of Axminster, particularly in the times of need, and the involvement with the Food Box delivery service had highlighted that recently.

Internationally, ShelterBox and the continuing battle to eradicate polio from the world continues. Recent troubles around the world, where thousands are displaced from their homes, and world disasters are all too frequent and require the instant support and decision making that Rotary is famous for.

Ian welcomed visiting Rotarians to call in for lunch at their weekly meetings at the Conservative Club, 1pm on a Friday, but particularly invited any person who wished to learn more about Rotary in Axminster to call in too and see for themselves how they can make a difference in the world by being a Rotarian.

Information is also available by calling the secretary on 01297 35522.

IN parts of the USA the figure is up to 500 litres per day, in the UK it is 150 but in developing countries it can be as low as 10.

These are the startling figures for water use by each individual given by Neil Whiter, a senior manager of South West Water, in his talk on WaterAid to the July meeting of Axminster Probus Club.

Much of the water used in Africa and other places is scraped up from shallow pits and is polluted by animals and human activity.

Women traditionally collect the water, walking up to five miles two or three times a day. It is a sobering thought to find that about 2,000 children die every day and that 80 per cent of sickness is caused by unsafe water.

In Bangladesh, a low-lying country, the water is brackish and also contaminated with arsenic

adding other dimensions to the problem of supply.

Here, as elsewhere, poor sanitation contributes to the dangers of water shortage. Before we leap to condemn the third world for its ignorance of basic hygiene, it is important to remember that it was only 150 years ago that Dr Snow first showed the link between cholera and polluted water in London.

The charity WaterAid was started by the British water industry in 1981 and gives assistance directly to the end-users and does not hand the money to governments. The aim is to provide low technology solutions to obtain clean water and to educate the people to preserve their amenity and to encourage sound practices in sanitation.

A spin-off is that time saved in collecting

water frees women and children from the time wasting labour so that children are able to attend school and women can undertake commercial activity. Enhanced standards encourage a sense of well-being and pride which reinforces the message that WaterAid promotes.

Neil was rigorously questioned on the proportion of money raised which arrived at the point of use and he was happy to report that this was a laudable seventy-seven per cent.

Axminster Probus Club for retired and semi-retired business and professional men meets at the Kilminster Cafe, Bistro & Motel on the A35 Gammons Hill on the first Tuesday of each month. For further information ring 01460 220528.

Exhibition winner announced

■ **AXMINSTER Art Society** staged a stunning exhibition at Axe Vale Show last month (June). The picture voted as the People's Favourite was Carolyn Barker's "Evening Tide". The raffle prize, an original painting by renowned artist Michael Sanders, was won by the Joslin family from Colyton. The photo shows Mr Joslin (right) receiving the prize from Rob Chapel, chairman of the art society.

Medical practice manager visits Legion

AT the June meeting of the Royal British Legion Women's Section, Axminster, chairman Jane Bastin welcomed guest speaker Linda Coombes, practice manager at Axminster Medical Practice and prospective new member Pauline Marfalan Humphries.

Born in Motherwell, Scotland, Linda told us about her chequered career after she left the University of Glasgow with a First Class Honours Degree.

Following forays into local government, Linda joined the RAF, undergoing an 18-week training course at Cranwell and joining at flying officer level.

A successful career followed in the RAF until another change of direction meant Linda moved to Burford where she met her husband, also formally stationed at RAF Kinloss.

Two children later, living in Yorkshire, Linda returned to work running a local surgery, eventually applying for the post in Axminster.

Vice-chairman Lesley Frankau gave a

vote of thanks to Linda for her stimulating and amusing talk which gave glimpses of her earlier life and an insight into the daily running of a very busy practice.

During the meeting that followed, Jane Bastin gave a vote of thanks to Lesley for organising the Alternative Fashion Show which raised £1,015.

The Fashion Show was a great success and much enjoyed by all who participated and the audience who supported the Show with such enthusiasm.

The Devon cream tea earlier in the week raised £165 and the forthcoming coffee morning on the June 27th in the Church Rooms was mentioned. Cakes, produce, Books and good quality clothing will be on sale along with toasted tea cakes and a raffle.

The next meeting is on Friday, July 14th with guest speaker Peter Haywood who will be talking to us about milk deliveries and bringing some memorabilia along. Visitors are always welcome.

We have shameful record of co-existence with gulls

■ YOUR correspondent Vivienne Coates writes every year at this time with a rant against gulls.

I wonder if she ever notices that gulls come more to attention at this time because they are nesting, and therefore noisily protecting their young from the most cruel and dangerous species, human beings?

I wonder also, what she hopes to gain from her letters. A death-squad of other gull haters? I ask this because of her presumption, having not heard what she would prefer to hear from the RSPB (the clue being in their title), that "we the public, can take matters into our own hands" (regarding gulls).

This is an implicit invitation for people to consider breaking the law. Only in very special circumstances can a licence be granted to disrupt nesting birds. The local council has information on this matter.

The human species has a shameful record when

it comes to co-existence with other creatures, i.e. persecuting them for commercial or other interests, many to extinction.

Fortunately, most people are waking up to this fact because of information now available, together with growing compassion for the creatures, their intrinsic beauty and right to exist. Gull-hatred is the thin end of the wedge. And all the more deplorable because the problem is caused by human activity which attracted them, and still does, further inland.

There are of course practical and lawful measures that your correspondent can take to deter gulls, as she will also discover from the council. But thought needs to be given to the matter well before the nesting season.

Culture in the Axe Valley

IN THE last week we have had two well attended and appreciated cultural events in the Axe Valley.

First there was Grease at the Community College with the cast putting on a superb performance. None of them ever forgot to use their whole body down to their finger tips.

I must not forget the stage crew who acted like professionals. Well done all.

Secondly there was the Mussic Festival at Dalwood, which allowed us to hear a wide variety of music. There must be some thing

in the Dalwood water. I must congratulate the organisers.

Surely if there was such a prize, Dalwood would win Village Culture of the Year.

The village is active through out the years.

Gillian, left, officially took on the role from Kath Brennan, right, when the chains were handed over at a meeting at Lyme Regis Golf Club last week. Her charity for the year will be Motivation Freedom Through Mobility, which provides wheelchairs to people in developing countries.

Children's pirate ship damaged by vandals

A WOODEN pirate ship is to undergo repairs after being targeted by vandals.

The ship is a popular feature in Rainbow Under 5s' play area in Axminster. But vandals entered the play area, located within the Axminster Primary School grounds, and broke parts of the mast and ripped a flag.

The damage took place at some point between 3pm on Friday, June 28th and 8am on Monday, July 1st. Playgroup manager Clare Male was angry and said: "Whoever does it knows it [the ship] is for little children."

Part of the ripped flag was recovered near the old magistrates' court. Police have appealed for witnesses and anyone with information is asked to call 101. The crime reference is KA/13/363.

Rotary golf support for air ambulance

DEVON Air Ambulance Trust is £1,100 better off thanks to a recent Rotary golf day.

The two Rotary clubs serving Axminster and Lyme Regis respectively held the day at Lyme Regis Golf Club in May. A cheque was presented on Friday, June 21st on what the Rotarians call the 19th green - Minster Green in Axminster.

The Rotary Club of Axminster president Malcolm Reynolds and the golf day organiser, Richard Salisbury presented the cheque to Devon Air Ambulance Trust's Simon Card OBE.

Mr Card was a guest of honour at the weekly Rotary meeting and thanked the clubs for their efforts in raising the substantial sum.

Business Information Point (BIP) is the lead organiser of the event, assisted by a number of other organisations.

The aim is to give businesses access to experts in various fields, and an opportunity to network.

"Professional services businesses are also invited to showcase what support they can provide and can book a free place by contacting BIP."

The workshop will be held in Axminster Methodist Hall, and BIP business advisor Petra Davies said: "We are really keen at BIP to make sure as many local businesses are made aware of any help or support that is out there for them, as sometimes it is difficult to know."

"This event is designed to showcase what is available in a 'one-stop-shop' with plenty of exciting presentations."

Military Wives to appear at the Guildhall for the Poppy Appeal

THE Military Wives Choir Yeovilton and HMS Heron Royal Marine Volunteer Band will take to the stage in Axminster Guildhall.

Event co-ordinator Mervyn Symes said the gig is a fundraiser for the Axminster branch of The Royal British Legion and should be a perfect way to prepare for the Poppy Appeal and Remembrance Day.

The concert will take place on Friday October 26th, and Mr Symes said: "We are looking forward to a great, quality evening that will not only help us fundraise, but will also be a good night out."

The Military Wives Choir Yeovilton formed in September 2012 and boasts more than 50 members. Members meet weekly to have fun, rehearse and

provide mutual support for each other as they deal with the challenges of service life.

In Axminster, the choir will sing both as an individual act and alongside HMS Heron Royal Marine Volunteer Band, the play list featuring a mix of military and popular music.

Conducted by C.Sgt Sam Hairsine R.M., the marine band will also have its own part of their show.

More details of the event will be available soon and, in the meantime, any enquiries can be made to members of Axminster RBL branch.

■ SPORTS day at Axminster Primary School was held in excellent conditions – dry and sunny with a light breeze – on Tuesday, June 25th. A total of 15 track disciplines were held, witnessed by a huge and enthusiastic crowd. Headteacher Tony Harvell took on the role of stadium announcer and kept the audience informed throughout.

■ IT WAS second time lucky when Axe Valley Community College attempted to hold its sports day. The day was held on Thursday, June 20th after weather had cancelled out the original date the previous week.

Head of PE Tony Davies said that it was one of the best sports days he had been involved in.

College spokesperson Wendy Cryer added: "The

weather was a bit misty, cool and damp but the rain held off. It was rearranged from the previous week, so they were keen to go ahead with this date if at all possible.

"The students enjoyed themselves and a number of them wrote their tutor groups on their faces in face paint."

■ STOCKLAND Primary School was the dominant force when Axminster Town Cricket Club held its annual kwik cricket tournament at Cloakham Lawn Sports Centre.

The final was an all Stockland affair, the A team defeating the B team to win The Mole Avon Cup.

The bronze medals were won by All Saints A after a hard-fought victory against Seaton A.

A total of more than 100 kids from Seaton, Stockland, Axminster, St Mary's, Chardstock and All Saints primary schools took part in the tournament on Wednesday, June 19th.

Club members and Year 10 Axe Valley Community College students on a sports leader course made sure everything went smoothly.

Italian restaurants have been housed in the premises for a number of years and the arrival of Rossini's has been welcomed by food lovers.

Joint owners Patrick Ingram and Adam Kanaah have given the downstairs dining area a facelift and created a more spacious look.

Patrick ran Rossini's in Seaton for 12 years before deciding to re-

locate, and he looks forward to establishing the name in Axminster.

The downstairs dining area seats 22 and, if need be, another 30 can be accommodated in the upstairs function room.

During the summer season, there is also an outside dining area at the back - ideal for smokers.

Rossini's is fully licensed and offers a menu of Italian and Mediter-

anean food, which can be enjoyed in the restaurant or as a take-away.

It is open Monday-Saturday from 6.30pm until late.

From July 15th, however, the restaurant will also be open for lunch.

New Tramway timetable for school holidays

SEATON Tramway, the unique heritage Tramway and tourist attraction in the Heart of Lyme Bay offering great family days out in Devon, is introducing a special "Purple" timetable for Fridays and Saturdays throughout the school summer holidays. From Friday, July 26th until Saturday, August 30th and mid-week from Monday, August 2nd to Wednesday, September 4th the "purple" timetable will feature the smaller, older trams that were in use in Eastbourne where the Tramway was based until it moved to Seaton in 1970, 43 years ago.

Trams will run every 20 minutes but the last tram from Seaton to Colyton will be at 5.00pm instead of 4.20pm on other days of the week, with the corresponding last tram back to Seaton from Colyton at 5.30pm, instead of 4.50pm.

Trams in use will include former Eastbourne cars Nos 2, 4, 6, 8 and 12, but this will not preclude people with restricted movement from being able to

travel on those days as easy access trams can be made available if you telephone the Tramway on 01297 20375.

The fare structure will be the same as normal for the peak Summer period as all visitors this year to the Tramway will be offered 'Explorer' tickets, which provide all day unlimited travel that means you will be able to make as many journeys on as many trams as you wish, with the bonus of being able to hop on and hop off at any station. An adult ticket will cost £10.

Children under three accompanied by an adult travel free, and children under sixteen accompanied by an adult pay half the adult ticket price. But, there are other ways of keeping costs down.

Family tickets enable families of two adults and two children aged between three and sixteen to travel all day for £27 (Green and Yellow timetables) or £30 (Blue, Purple and Red Timetables). There is also the personal Lifetime Loy-

alty Card bought with a one-off payment of £10 per adult or £5 per child. Thereafter, upon presentation of Loyalty Card at every ticket purchase, you will receive a third off the published price. After you have collected ten tickets, the Loyalty card also entitles you to one free Explorer ticket.

Passengers travelling with dogs are welcome at a flat fare of £1 per dog each way, although Assistance dogs travel free. On double deck trams dogs travel only on the lower deck.

What better way for local people and holiday makers to explore the Jurassic Coast at Seaton and the townships of Colyford and Colyton, as well as the River Axe Estuary and Axe Estuary Wetlands with all the amazing wildlife to be seen.

The Explorer tickets and Loyalty Cards can be purchased at the Seaton Terminus and Colyton Station ticket offices (or on line at: www.tram.co.uk)

A SALUTE TO ABBA AT THE TRAMWAY

SEATON Tramway, the unique heritage Tramway and tourist attraction in the Heart of Lyme Bay offering great family days out in Devon, has arranged a great Summer evening's entertainment dance and sing along with "Take Two" and ABBA Salute where they play the right music at Colyton Station on Saturday, August 3rd.

The tram departs from Seaton at 7.00pm, which will give you a chance to get into the swing as you take a wonderful evening ride along the Axe Estuary. When you arrive at Colyton you can enjoy delicious Swedish meatballs, potatoes and spiced cabbage in the newly extended Tramstop Café, before you put on your ABBA outfits and feel the beat from the tambourine for the "Take Two" Show beginning at approximately 8.15pm – 9.00pm with ABBA Salute following at 9.30pm – 10.30pm. You will be able to sing along to

"Dancing Queen", "Waterloo", "Money, Money, Money" and all those No.1 hits.

After having had the time of your life, the tram departs from Colyton going "On and On and On" to Seaton at 10.30pm.

The return tram ride, entertainment and meal prices are: Adults £23.00, Children (3-15) £17.00 and Children (under 3) £5.00. If you are making your own way to Colyton to enjoy the food and entertainment, the prices are: Adults £18, Children (3-15) £12.00 and Children (under 3) £5.00. This is sure to be a really popular event, so please pre-book in advance on 01297 20375 to avoid disappointment.

We round off the year's evening entertainments with the Twerzels West Country Tribute together with the Chaz & Dave Tribute Show on Saturday, August 31st.

It is too early to book your Christmas Party?

Testudo Celebrate 50 years with a bit of Madness

SEATON'S Testudo Musical Players are set to perform the Madness musical 'Our House' this September. Rehearsals have begun with dedication and much excitement.

This lively, funny and at times touching musical, features many of the well known hits by Madness, and tells the tale of a young man whose decision on his 16th Birthday could dramatically alter his life path.

The cast is made up of a majority of younger adults, but also includes older adults. Some actors will be familiar faces, whilst many are taking principle roles for the first time.

CELEBRATE SUMMER WITH A PICNIC ON THE LAWN

FOLLOWING the great success of last year's "picnics on the lawn" at Cloakham Lawn Sports Centre with Abba and Queen tribute bands, it's the BeeGees turn to provide the inspiration for this year's event.

The concert will run on Friday 26th of July when the hallowed turf of the cricket pitch will again provide the perfect setting for an evening of music, dancing and family fun.

This will be a major fundraiser for Cloakham Lawn Sports Centre, the registered charity that has been pro-

viding sport and recreation opportunities for the inhabitants of the Axe Valley for the over 25 years. Now the home of Axminster Cricket Club, Millwey Rise Football Club, Axminster Indoor and Outdoor Bowls Clubs and more recently Axe Vale Social Club.

The event has been sponsored by Axminster Tool Centre Limited which has enabled the ticket price to be kept to an affordable £10 per person.

Tickets are available now at The Sweet Shop, Trinity Square,

Axminster, Archway Bookshop, Church Street, Axminster and over the bar at Cloakham Lawn Sports Centre.

So now that Summer has finally arrived, what could be better than packing your coolbox, blanket and chairs and joining your friends for another "Picnic on the Lawn". The bar will be open throughout the evening for refreshments and hot food will be available.

For further information please phone Cloakham Lawn Sports Centre on 01297 / 34447.

Fundraising for Tanzania trip of a lifetime

A HONITON youngster is gearing up for a trip of a lifetime with a number of fundraising events.

15 year old Daniel Bolton will be visiting Tanzania next year to help plant trees, build houses, dig water ways and take part in conservation work to help improve the lives of Tanzanian people with charity, Camps International.

Aiming to raise a total of £3,840, Daniel hopes to gain help from the local community with a number of fundraising events to help meet his goal.

So far, Daniel has organised three bingo nights to help raise funds for his trip, with a fourth bingo evening to be held at Axminster's Guildhall on Friday (July 12th) with doors opening at

7pm for a 7.30pm start. Prizes will include meat hampers with donations coming from Colyton Butchers.

Daniel is also busy organising an Elvis Tribute Act evening and auction of promises for November 2nd, which will also be held at the Axminster Guildhall. Tickets are already available from the Archway Bookshop for £10 each.

Other upcoming fundraisers are set to include a five-a-side fancy dress football match, a dog show and a children's disco as well as a brave challenge for Daniel as he sets out to sit in a bath of baked beans for a whole day.

If anyone would like to donate items for raffle or auction to support Daniel's fundraising, please call 07807 530385

Young up-and-comer to play Yarcombe gig

TALENTED local youngster Oscar Everard will be performing at The Yarcombe Inn, Yarcombe on Saturday, July 13th.

Oscar is attracting quite a following in the area with his eclectic blend of folk, rock, blues and funk. At just 17 years old, he is an amazing guitarist with harmonica accompaniment and quirky vocals; be it his unique take on covers or his own material, Oscar has been noted as one to watch.

This is an exciting time for this promising musician as he is currently

busy recording with local record label 'Fuelled By...', with an EP due out very soon and an album by the end of the year. His most recent gigs at Wimborne Folk Festival were well received and he is looking forward to starting a two year singer/songwriter course at the renowned Academy of Music and Sound in Exeter in September.

Oscar will play a two hour gig starting at 9pm at Yarcombe where the landlords ensure a very warm welcome to all.

Summer Events in Seaton

THERE is an exciting line up of summer events organised by members of Seaton Town Council coming your way to brighten up the holidays.

As part of an initiative led by members of Seaton Town Council's youth and recreation committee, there will be two main events coming to Seaton, aiming to entertain and provide fun for all age groups, particularly the youth of the town.

The first of the two main events will be a 'Hangar 51' laser game on Saturday, August 10th at the Underfleet with the chance for teams or individuals to fight their way through a giant inflatable maze, complete with laser guns. The event will cost £2 per person for up to ten plays or £10 per game, and each game lasts approximately five minutes.

The second of Seaton Town Council's main summer events will give visitors a chance to 'body zorb' in giant inflatable balls, with fun for all the family as well as a super tall climbing wall on the Underfleet. The event will take place on Saturday August 24th and will cost £2 per go.

There is a whole programme of events for the next few months running until the end of August. Other events include entertainment including activities for children in Windsor Gardens, arts and crafts and Jurassic Coast themed activities for all the family.

CALENDAR TO GO ON SALE SHORTLY

JUST like the original Calendar Girls from Knapley Axminsters very own "Calendar Girls" have this week been posing for their calendar which will be sold at their performance of this witty and thought provoking play by Tim Firth instead of the usual programme found at most amateur productions. One half of all profits from the Calendar sold will be immediately given by Axminster Drama Club to cancer charities including CLIC. Plans are also a foot for the Axminster Country Market to be involved in this production so in addition to buying your calendar there will also be an opportunity of going home with some goodies and tasty treats!

The Axminster Calendar has an original twist to it as in addition to poses from the female cast there is a month devoted solely to the male members of the production. All the pictures are done very discretely and artistically by professional photographer Terry Ife.

This play was, of course, made famous by the feature film starring Helen Mirren and Julie Walters,

The Calendar Girls

amongst others, and taking these parts in Axminster Drama Clubs production are well known local actresses Nicola Skye and Val Christmas. Nicola and Val are being well supported in these roles, in lots of ways; by other well-known faces of the local amateur theatre including Sara Leat and Eileen Stuart who as well as being in the production are also co-producing with Steve Black. Steve may be better known to many as a singer and songwriter but his wealth of experience as a highly successful playwright is helping the cast find new aspects of each character.

Performances for Calendar Girls are at 7.30pm on Thursday 18th, Friday 19th and Saturday 20th with a matinee at 2.30pm on Saturday 20th and tickets are available now from Archway Bookshop Axminster (tel 01297 33595) or by calling 01404 831089 after hours for only £10.00 in advance or £12.00 on the door.

Seaton's Voice to screen Macbeth

NATIONAL Theatre Live will broadcast Manchester International Festival's electrifying production of Macbeth, with Seaton's Voice screening the performance at The Gateway (Seaton Town Hall) on Sunday, July 21st.

Kenneth Branagh (My Week With Marilyn, Hamlet) makes his first Shakespeare performance in over a decade as Macbeth, and Alex Kingston (Doctor Who, ER) stars as Lady Macbeth. SPOTLIGHT ON MY SERVICE

Sally Legg Reiki & Thai Therapy

When the stresses of the world leave you feeling drained and tired, let Sally Legg Reiki & Thai Therapy make you feel totally refreshed and replenished.

Sally Legg is a fully certified Thai therapy practitioner, who gained her qualifications in April 2006 after studying for two years at the British School of Traditional Thai Body Work. Sally also spent time in Thailand, where she attended the International Thai Massage Institute in Chiang Mai, where she studied under the tutelage of Chongkoi Setthakorn.

During her time in Thailand, Sally also absorbed the beauty and presence of the people, which left a lasting impression on her. Sally always tries to channel this peaceful energy through all her treatments and therapies that will leave you feeling calm and recharged. The treatments received from Reiki and Thai Bodywork are unique and individually tailored made for each client, depending on their specific needs abilities and requirements.

Thai massage forms the base of treatment for those looking for a good stretch of the body, Reiki on the other hand is used for those who wish for a more gentle softer treatment. For those experiencing pain a combination of the gentle Thai and Reiki can work extremely well. In this busy world an hour just for you is priceless. The treatment that is offered by Sally can help with back, neck, shoulder and joint pain along with muscle tensions, circulation, digestion and stress. If you are interested in a relaxing therapy that can help you with muscle tension, neck pain, and shoulder movement issues or maybe you are just after a pampering experience, then Sally Reiki & Thai Therapy can help you. Why choose Sally Legg Reiki & Thai Therapy treatments?

Seat smashes its half-year sales record in the UK

- SEAT registers 22,752 cars during the first half of 2013 – a new company record
- Record-breaking figure is 18.6% higher than SEAT's previous UK half-year best, in 2012, and beats market growth
- SEAT second quarter sales (April – June) are up by 35% compared to 2012
- Company on course for a fifth consecutive annual sales rise
- SEAT has now exceeded 600,000 UK registrations since entering the market in 1985

SEAT is celebrating an astonishing first half of 2013, with half-year UK sales figures that put the company well on course to smash its yearly sales record.

The 22,752 SEAT cars registered between January and June 2013, according to SMMT figures

just published, are a half-year company record. The number eclipses SEAT's previous half-year record, set in 2012, by 18.6%.

In addition, the 4,428 SEAT cars registered in June is a 29% sales jump compared to the company's previous record June, also in 2012.

According to SMMT figures the UK market is buoyant, with June sales up 13.3% and half year sales up 10.2% compared to 2012 – yet SEAT's figures trump both of those.

The sales spike can be attributed in part to the model offensive that SEAT has undertaken since the start of 2012, comprising the introduction of three brand new models – Mii, Toledo and Leon – and significant revisions to the Ibiza, including a new flagship Ibiza Cupra.

SEAT UK Director Neil Williamson said: "Within the last few days we've picked up the coveted Auto Express Car of the Year award for the Leon five-door, launched the stunning Leon SC in the UK, and broken our half-year sales record... we've had worse weeks."

"Between the Mii city car, the staggeringly spacious Toledo, and the all-new Leon family, SEAT now has a model range that's broader and higher quality than ever. That fact, along with an ever-strengthening dealer network, is starting to show in our sales figures."

"And with further expansion of the Leon family due before the year is out, SEAT UK is on course for the best year in its history."

SEAT's 2013 sales to date are spearheaded by the Ibiza family, with 10,198 sold. The new Leon follows it in the sales charts, with 5,096 five-door models sold so far. The remainder of 2013 will see Leon sales augmented with the addition of the three-door SC; once the Leon family is complete, SEAT expects the SC to account for 17% of overall annual Leon sales.

Since 2008, SEAT UK has achieved consistent sales and market share increases, culminating in enjoying its best ever tallies in 2012: 38,798 and 1.9% respectively. In 2012 the company sold around 10,000 more cars than it did in 2008.

Toyota Prius marks three million worldwide sales

THE Toyota Prius has reached three million global sales, confirming its status as one of the world's best-selling cars. Since it first appeared as a quirky saloon in Japan back in 1997, it has progressed to become the undisputed standard-bearer for the high fuel and emissions efficiency of Toyota hybrid power technology.

In its progress through three generations, Prius has benefited from significant improvements and innovations that have made it kinder to the environment, cheaper to run and more practical to live with. Its official CO2 emissions figures have fallen from 114 to 89g/km and the cost of its hybrid powertrain has been reduced by two thirds. In its development of the current, third generation model, Toyota filed more than 1,200 patents, demonstrating its continued commitment to technology leadership.

In the past two years Prius has grown from being a single model to embrace a family of vehicles designed and engineered to meet the needs of a wider customer base. In Europe these include Prius+, the world's first full hybrid seven-seat MPV, and Prius Plug-in, the first Toyota to embrace rechargeable lithium-ion battery technology for extended zero-emissions electric power capability. In North America and other world markets, the smaller Prius c/Toyota Aqua has also been launched – bringing hybrid to a market segment that's covered in Europe by Yaris Hybrid.

Toyota has made hybrid a core technology for the developing more environmentally efficient vehicles and it continues to make significant investments that will help secure sustainable global growth. In the financial year ending in March 2014, it is expected to spend more than £5 billion (790 billion Yen) on research and development and facilities for developing hybrid and other cutting edge technologies, as well as strengthening development of

new platforms and components.

Projects include a new 651-hectare R&D facility and a new 12-storey powertrain Development and Engineering building in Toyota City.

Tim has three horses that are being watched by the Young Rider Team GB selectors, and regularly has lessons with the Team GB trainers via the World Class Program, and having already won a medal, is a strong contender now next year.

sailing
beer luggers

VARIED wind conditions meant the Beer Luggers' skippers were kept on their toes in last week's race writes John Mortimore.

Nine vessels made the start line and all sailed shorewards for the home buoy.

The first boat to reach the mark was Cuckoo followed by Twilight.

Heading on towards the windward mark the pair remained in front until the Percy Mitchell overhauled Twilight at the leeward buoy.

Twilight then fought off a challenge from the Mary at the Windward mark. Meanwhile, Puffin and Moondance were tussling for position in mid-fleet with Scrumpty and Katherine bringing up the rear.

The Percy Mitchell then overtook Cuckoo to take the lead but it was The Mary who came from nowhere and made a successful tack to find some good wind and surge over the line in pole position.

Result: 1st Mary (sailed by D.Boalch), 2nd Cuckoo (G.Dart), 3rd Percy Mitchell (K.Gosling), 4th Twilight (P.Bagwell), 5th Puffin (R.Driver), 6th Moondance (G.Pook), 7th Katherine (M.Diplock), 8th Little Wing (A.Green), 9th Scrumpty (G.Lockyear). **Winner of race by handicap** - Puffin (R.Driver).

CHARD & District swimmer Elisha Hawkins aged 13 was celebrating achieving her first National qualifying time at the recent Regional Age Group Championships at Millfield earlier this month writes Hannah Pullinger.

Elisha achieved the time in her 200m breaststroke heat and reached the final in her age group finishing 6th. Elisha also reached the final in the 100m breaststroke event, finishing 7th.

Only two junior Chard swimmers achieved the qualifying times to compete at the Regional Championships this year, the other was 14 year old Jamie Pullinger who swam in the 100m backstroke event.

Meanwhile last weekend Chard & District Swimming Club Juniors travelled to Dorchester's new Leisure Centre for the third round of the Southern Junior League.

This was the final round of the series of three Galas that make up the Junior League and the team were determined to end on a high note, and did just that by winning the Gala with a resounding 25 point lead.

Congratulations go to Bea Brett (12) who broke her own Club record in the 50m butterfly again, and nailed first positions in both her individual events - 50m butterfly and 50m backstroke.

Other great swims securing a total of twenty four first positions came from: Henry Taswell 12, 50m backstroke and butterfly, Abi Greenslade 9, 25m butterfly, Millie Downes 9, 25m breaststroke, Louis Rood 9, 25m backstroke & 25m butterfly, Jess

Fowler 11 50m backstroke and 50m freestyle, Xanthe Dyer 50m butterfly, Abi Bonning 12, 50m freestyle and 50m breaststroke, and Megan Herbert 11, 50m breaststroke. Chard achieved an amazing forty top three positions overall in the 49 events.

Relay successes: 9yr Girls and 9yr Boys both secured first place in their events, as did both the 11yr and 12yr Girls teams, and the 12yr Boys team won first place in their freestyle relay.

The final event was the mixed Cannon freestyle relay in which a girl and boy from each age group take part, and the noise could have brought the house down as Chard came in to win this event as well!

The Junior League Squad for this Gala: Boys: Louis Rood, Jamie Porter, Daniel Humphreys, Jacob Hale, Leo Bonning, Michael Moulding, Joss Copeman, Simon Davis, Oliver Bright, Oliver Rodger, Henry Taswell, Ben Greenslade.

Girls: Millie Downes, Harriet Copeman, Briana Barrand, Abi Greenslade, Eden McDonald, Leonie Housham, Imogen Waterhouse, Jess Fowler, Megan Herbert, Xanthe Dyer, Baylei Callow, Abi Morgan, Daisy Brett, Abi Bonning, Moli Riley, and Bea Brett.

Thanks go to our Coach June Turner and all the parent helpers who assisted with this Gala and the others in the series.

Colyton footballers in the saddle

THREE Colyton footballers participated in the FORCE Century Cycle Challenge on June 30th, raising over £2,000 for FORCE Cancer Charity which has played a vital role in local cancer services for 26 years.

Jimmy Richards, Matthew Orsman and Jason Potter completed the 100 mile route, and were supported by Jade Wood and Jo Orsman who took on the smaller 55 mile route.

The 100 mile ride started at Topsham Rugby Club, headed up to Dulverton and over the top of Exmoor, down to South Molton and then met up with the 55 mile, which went across country to Morchard Road.

Both rides then came

back to Topsham via Crediton and the back lanes to Exeter.

Jimmy said: "We're happy that we all came through unscathed - there were a few aches at the end but I think we've all recovered now! We're absolutely delighted that we've managed to raise such a large sum of money towards such a worthy cause."

"We've been overwhelmed by the number of donations, some of which have been extremely generous."

The challenge certainly hasn't deterred the group who have all entered the FORCE Autumn Breeze ride - a 65 mile route starting and finishing at Fingle Glen

Golf Course on 6th October. Entry costs £12 and food and drinks are supplied along the route.

The work of FORCE finances improvements in patient care through research, the purchase of advanced equipment and their Cancer Support and Information Centre located

in the grounds of the RD&E Hospital.

The group are still collecting sponsorship and would be very grateful of any further donations towards the cause.

Those interested in sponsoring should contact Jimmy by emailing jimmy-richards@hotmail.com

Great start for new member Devenney

AXE CLIFF with Janet Dack
SENIORS

IN Friday's Seniors Section members aged 65 and over competed for the Charity Bowl, presented by the late Brian Wilkes following his captaincy in 2000.

It seemed appropriate that it should be won, as it transpired, by the current Captain John White (21) with a sound score of 34 points.

In the Stableford run in conjunction, the winner with 36 points was Phil Wilkins (17) with John second on countback from new member Geoff Wake (14), both netting 34 points.

MAIN CLUB

ON Sunday, June 30th saw members competing for the Sanders Stevens Trophy on a beautiful sunny morning.

Gavin Walker took first place with a plus five. In second place was Stuart Dixon with a plus one, and in third place was Peter Petherbridge on level par.

LADIES

FIRSTLY, congratulations to Helen Kenworthy who came tenth in the English Grand Medal final held on the Northamptonshire course last week-end.

Also, congratulations go to Sallie Seward who was the winner of last week's E.G. Medal with a nett 70 reducing her handicap from 35 to 33.

On Monday the ladies enjoyed a friendly match with Wind-whistle at Axe Cliff.

The home team won two and a half to one and a half.

The winning pairings were Helen Gaudie and Janet Dack, Lesley Crawford and Glenda Board with Sandra Walker and Sallie Seward gaining the half point.

This Wednesday the winner of the Par competition was Helen Gaudie with Janet Dack in second place.

AXE VALLEY RUNNERS

WITH DAVE MUTTER

AVR won two of the categories at last week's **Woodland Relay**, an annual event between five local clubs - AVR, Honiton, Sidmouth, Met Office & Exmouth Harriers.

This year's race was a challenging 3x2.5 miles on Woodbury Common. Fastest team, thereby winning the senior men's race, was AVR's Not So Old Men (Garry Perratt, Tim Lenton & Liam Roberts) in 45:32.

AVR's Ladies' A team (Amy Greenhalgh, Eleanor Wood & Carol Austin) won the senior ladies' race in 57:45.

The Old Men (Mark Hilder, Richard Hale & Robin Britton) were just outsprinted to finish second in the Male Vets' (over-50) race in 1:00:32.

The Ladies' B team (Heather Lowman-Riggs, Lesley Adams & Amy again) were 6th ladies in 1:08:20, and the Odd Men (John Blackledge, John Greenhalgh & Chris Keeffe) were 8th blokes in 58:32.

The AVR Juniors' A team (Ollie Cauter, Bobby Simpson & William Blackledge) were 2nd in the boys' race and the B team (William again, Adam Burrough & Max Bowskill) were 3rd.

Despite claiming relative unfitness, Liam was fastest man by a long way in 14:15; Tim was second-fastest AVR and probably overall in 15:29 from which you can work out the time of the Not So Old Men's weakest link.

Amy was second fastest lady in 17:46 (and only five seconds slower on her second run which was either impressive or suggested that she didn't run hard enough the first time around!).

Emma Kiernan ran the 3rd of the **Towpath 10K** races in Bristol on Friday evening. She was 111th in 45:37.

Liam Roberts raced in the British Universities and Colleges Sports (BUCS) Standard Distance Triathlon Championships for a bit of fun given that it would probably be his last opportunity to compete in a BUCS race. This was held as part of the **Cholmondeley Castle Triathlon**.

The conditions were wet and windy but water conditions were warm and Liam covered the 1500m swim, hilly 44km bike and (short) 10 km run in 27:50, 1:15:49 and 34:09 respectively for a total time (including transitions) of 2:20:30 and 19th position.

The high standard of the BUCS race was shown by the fact that Liam's time would have given him 4th place in the open race.

The Charmouth Challenge, an 8 mile fell race, offers a number of tortuous climbs on a route which summits Golden Cap before returning to Charmouth and is punctuated

TUESDAY MIXED

DUE to heavy fog the Tuesday Mixed Competition of Rye Four-somes was reduced to 10 holes which gave the organisers of this month's competitions, Ro and Chris Poole, careful card checking for count-backs.

First place with 25points were Lesley Farley and Andy Sharland. In 2nd place 20pts, on c/b, were Margaret Black and David Price.

In 3rd, also 20pts, were Jennifer Pyle and Alan Booth and 4th again, also on 20pts were Su Calver and Phil Wall.

LADIES SECTION

OVERNIGHT rain meant heavy conditions for early starters in Wednesday's Medal Competition but some good scores were still made by the winners in all three divisions.

In Silver Division Heather Clarke scored a nett 72, followed in 2nd place by Mona Carter with nett 75 and Diana Gee in 3rd with nett 76.

Bronze 1 Division winner was Janet Hughes, again with nett 72, and Maris Dart came in 2nd with nett 77.

The 3rd and 4th places went to Jan Dickinson and Chris Luttman who both scored nett 78 with Jan just pulling ahead on c/b.

Sally Chapman in Bronze 2 Division brought in an exceptional score of nett 71 to win ahead of Susan Hyde with nett 84.

SENIORS SECTION

NEW member Alan Devenney has won Division 1 in the seniors' monthly medal.

He has promised not to do it again, but we will watch him closely and his handicap is up for revision already.

He came in with a nett 63 to win and collect the winner's tankard, easily beating the rest of the field.

Ron Graham was runner-up with a 68, followed by John Fleetwood, Tony Proudfoot and Buzz Harris.

■ **WINNER:** Sophie Keech with her Millfield School Girls title trophy.

Phil Faulkner won Division 2 with a 68 and Jack Phillips came second with 70. Colin Hughes, Captain Bob Underwood and Fred Utting took the other prizes.

◆ SOPHIE KEECH, the only representative from Millfield this year in the Finals won the Girl's title for the second time in three years, losing the other one on a count back.

Axminster-based Sophie was the first Millfield pupil to win the National Schools title two years ago so this is a fantastic. Sophie played 36 holes at Notts golf club and recorded a gross score of 144, 6 under par, which gave her a winning margin of five clear shots.

Her morning round of 70 (5 under) equalled the ladies course record and was the best score returned all day.

Sophie now goes on to represent England U18 Schools Team in the international matches against Wales and Scotland during August and September this year.

overtaken Judy Davey at about mile six.

Judy found the first half of the race alright but then found the heat sapped all her energy climbing Golden Cap. She finished 112th in 1:17:19.

Howard Bidmead had given Judy a run for her money over the first few miles with positions changing frequently. He also suffered during the second half and finished 123rd in 1:18:55.

Mark Andow struggled throughout finishing 168th in 1:25:44 and the Honiton line-up was completed by Katy Campbell who finished 185th in 1:27:55. There was an excellent turnout of 265 runners.

◆ Honiton Junior members took part in the 2½ mile Mini Challenge with Henry Ridle coming 2nd overall in a great time of 22 minutes 24 seconds.

The Juniors were also taken up the gruelling Stone Barrow Lane although spared Golden Cap.

Arthur Heeler-Frood was 9th overall in 24:13 and Flo Swan was 1st girl back for Honiton in 10th place in 24:38. Sam Taylor was next back in 12th place in 25:27 followed by Hope Horsfield who came 16th in 27:36.

Iain Ross would usually have been one of the first few back but he was sent the wrong way by a marshal.

He ran up an extra section of a hill before having to run back down to continue the correct route. He was given a position of 30th place in 35:55. There were 34 finishers.

Once back at Charmouth School runners were treated to a welcome hosing down and a Fete put on by the School where delicious and welcome refreshments were on offer.

◆ **PHEW:** Axe Valley Runners receive a welcome hosing down after the Charmouth Challenge on Saturday.

Beedell's day as Seaton stay on course

AXMINSTER, Seaton and Kilmington Cricket clubs enjoyed the sun drenched weekend with wins for all of the respective 1st and 2nd XIs.

Nick Taylor led the way for **Axminster 1sts** in a narrow one wicket win at Clyst St George.

Taylor claimed 4 for 30 as the hosts posted 216 for 7 and was then at the crease with an unbeaten 14 as Axminster, thanks to crucial knocks from Joe Seward (46), Matt Pile (40) and Gary Larcombe (40), successfully chased down their target in the last over.

Axminster remain well set in second place in the Devon League division C, 40 points in the wake of runaway leaders Bideford.

There was exciting finish too in the **Ax 2nds** win over visiting Shobrooke Park at Cloakham Lawn. Batting first the hosts rattled up 189 thanks in the main to 69 from John Swain.

The visitors appeared set for victory at 185 for 5 only for Dave Gadsden to bag a hat-trick.

Sean Perry then bowled a wicket maiden and Gadsden completed a re-

markable win with the final wicket from the first ball of his next over as Shobrooke were dismissed for 186 and Axminster moved 18 points clear at the top of the 2nd XI D division.

A superb 114 from Nick Beedell fired **Seaton 1sts** to victory in the local derby at Uplyme & Lyme Regis. Mark Bray (52) and skipper Ben Morgan (33) also batted well as Seaton closed on 262-5 having been inserted.

Beedell also starred with the ball in the hosts reply claiming 6-25 as Uplyme were dismissed for 163 with Aussie all-rounder Alex Taylor clipping a fine 63.

The win sees Seaton now firm favourites to accompany Clyst Hydon back up into Division C.

Meanwhile, an unbeaten 103 from 15-year-old Stuart Wight and 65 from Kevin Moran helped **Seaton 2nds** to a comprehensive win over visiting Uplyme & Lyme Regis 2nds.

Seaton closed on 280 and made short work of the Uplyme line-up with James Thomas taking 5-20 as they crashed to 99 all out.

But the **Seaton 3rds** (181ao) failed to complete a clean sweep for the club as they went down against Cullompton 2nds (250-6).

Down in division E 48 from Roland Stonex helped **Kilmington 1sts** (237-9) to a 14-run over Kentisbeare (222, Tom Gooding 3-32).

David Lavender's 4-20 helped the **Kilmington 2nds** (99-4, W.Wilmott 61no) to ease to victory over Kentisbeare (96ao).

Over in the Somerset League **All Saints** had a day to forget and were thrashed by 158 runs at Westlands 3rds.

The hosts notched an imposing 273 for 3 which proved far too much for the Saints who were shot out for just 115 with opener Josh Short top-scoring with 21.

Despite the heavy defeat All Saints remain eight points clear at the top of Division 8 (South).

■ **HITTING IN THE VEE:** Seaton 1st XI skipper Ben Morgan drives powerfully through mid-on for four during his side's comprehensive win over Uplyme & Lyme Regis 1st XI at the KGV on Saturday.
